

**LEAD RETRIEVAL ORDER FORM**

**Sheraton Chicago Hotel & Towers  
July 18-21, 2010**

**ExpoMobile** is a handheld, portable, battery powered, touch screen Personal Digital Assistant with an integrated card reader. When a badge is scanned the contents are on the 2" x 4" screen. By using a pen to touch the appropriate icons/answers, exhibitors quickly qualify their leads. ExpoMobile is provided with two optional software packages: Swipe and Go Mode and Qualify Mode. Swipe and Go will read and store the records. Qualify provides a questionnaire format with up to 10 questions and 10 answers each (sales people, products, type of prospects, follow up actions, notes, etc.) and IRIS will customize it for each exhibitor. Your data will be downloaded and provided to you on a USB memory stick when your unit is returned

**NOTE: Avoid the last minute rush; pick up your unit(s) at the PICS Registration Desk on. For more detailed information call (416)703-9200.**
