MOVE OUT INFORMATION

To increase the efficiency of exhibitor move-out, Willwork Global Event Services has institute the following Move-Out Schedule for this show.

Saturday, September 10, 2022 at 1:00 PM - Exhibitor Move-Out officially begins.

Exhibitors may begin to dismantle their booths at this time. Immediately after the close of the show, Willwork will begin covering the carpet and returning empty containers. You can help us with this process by keeping the aisles clear during this time. If you have ordered labor to dismantle your booth, be sure to confirm the start time of your workers by checking with the Willwork Service Desk.

Saturday, September 10, 2022 at 4:00 PM - Deadline for driver check-in.

Exhibitors who wish to ship materials by any carrier must instruct drivers to check in at The Marriot. They will check in at the loading dock with the Willwork Dock Supervisor by **Saturday, Sept. 10, 2022 at 4:00 PM**. Drivers are placed in line for loading on a first-come, first-serve basis, provided the exhibitor is completely packed and a Bill of Lading has been turned in to the Willwork Service Desk. Drivers whose Bills of Lading have not been turned in will be placed in a holding queue until the booth is packed and the Bill of Lading is turned in. Should your carrier fail to check in at the loading dock by **Saturday, Sept. 10, 2022 at 4:00 PM**, Willwork Global Event Services reserves the right to re-route the shipment via the official show carrier as necessary. Neither Willwork nor Show Management assumes any liability as a result of such re-routing.

Saturday, Sept. 10, 2022 at 4:00 PM - Exhibits packed and Bills of Lading turned in to WILLWORK.

All Bills of Lading must be turned in to the Willwork Service Desk to be validated. Do not leave Bill of Lading in your booth, and do not turn in your Bill of Lading until your shipment is packed and ready to be loaded. Bills of Lading and additional labels will be available at the Willwork Service Desk at your convenience. No Bills of Lading will be issued until your balance is paid in full.

Delivery of your Bills of Lading to Willwork Global Event Services does not signify that Willwork Global Event Services has assumed responsibility for your shipments. Once packed and ready to turn in your Bill of Lading, take a picture of your shipment for your files. Whenever possible, a member of your staff should remain with your shipment until it is actually picked up for removal from the loading dock, at which time the trucker assumes responsibility for your merchandise. In every case, be sure to turn in your Bills of Lading to the Exhibitor Service Desk. Do not leave Bills of Lading in your booth.

Final Payments

For your convenience, any show site balances or charges for outbound labor, freight, or miscellaneous items not paid before show closing will be charged to your credit card at the close of the show. Be sure to pick up and review your statement of charges at the Willwork Service Desk prior to move-out. Adjustments to your account will NOT be made beyond 45 days after show closing.

Saturday, September 10, 2022 at 5:00 PM – Final clean up; Exhibitor Move Out officially ends.

ALL SHIPPING CONTAINERS INCLUDING BUT NOT LIMITED TO FIBER CASES, CARTONS AND CRATES SHOULD BE SECURELY PACKAGED AND LABELED BY THE EXHIBITOR. IF YOU HAVE MULTIPLE ITEMS STACKED ON A SKID, WE STRONGLY ADVISE THAT YOU ORDER SHRINK WRAP OR BANDING FROM THE WILLWORK SERVICE DESK SO THAT ITEMS DO NOT GET SEPARATED.

For assistance, please call our Exhibitor Services Department at 407-438-7480; or
email exhibitorservices@willwork.com

ORDERING PROCEDURES & HELPFUL HINTS

The ordering process for services provided by Willwork Global Event Services consists of several forms. Please complete the parts of each section that apply to your order and return the completed pages to Willwork Global Event Services for processing. It is not necessary to return pages for services you did not order.

PAYMENT POLICIES AND CREDIT CARD AUTHORIZATION

Please complete the information requested below and return this form with your orders. You may choose to pay by credit card, check payable to Willwork Global Event Services, or bank wire transfer. However, we require your credit card authorization to be on file before we process your order(s) for service. We will use this authorization to charge your credit card account for any additional amounts incurred as a result of show site orders placed by your representative to include material handling charges for shipments received on your company's behalf and any unpaid balance due for Willwork's services. **Credits for services will be issued at show site only.**

Early order discounts are available to all exhibitors who place their orders prior to the discount deadline shown on the order form.

- Orders cancelled prior to move in will be refunded at 100%, unless specified. Cancellations after move in begins are invoiced at 100% of original price.
- No adjustments will be made after the close of the show.

BOOTH FURNISHINGS AND SERVICES

- Rental items not ordered, yet found in booths, are invoiced at "Standard-Floor" pricing.
- All prices are in U.S. dollars (\$).
- All rental items are subject to applicable taxes.
- All rental items remain the property of WILLWORK Convention Service Contractors.

MATERIAL HANDLING AND LABOR

Exhibitors are required to follow local labor jurisdictions. Most trade show labor is unionized and, therefore, Willwork is required to go through the local unions for labor used for show set up and dismantle.

Drayage, or material handling, is the movement of show materials from the shipping dock to your booth for show set up and from your booth back to the dock for return shipment at the end of the show.

CREDIT CARD AUTHORIZATION

ALL EXHIBITORS MUST HAVE A CREDIT CARD ON FILE WITH WILLWORK GLOBAL EVENT SERVICES PRIOR TO SERVICES BEING RENDERED. For your convenience, we accept MasterCard, Visa and American Express; we do not accept Discover Credit Cards. If you choose to pay by check or cash (sorry, personal checks are not accepted), you may do so in advance. However, regardless of how you choose to pay, you must have a credit card on file with us to cover incidentals and items that might be ordered at show site. If your company has unpaid balances from previous events serviced by Willwork Event Services, payment in full for those charges will be required before new orders will be accepted.

Exhibitor freight will not be delivered to or removed from your booth until all unpaid invoices have been settled at the Willwork Service Desk. Please notify your company representative who will be at show site of our payment policy.

While Willwork Event Services understands and honors the relationship between exhibitors and third party payers, ultimately the exhibiting firm of record is responsible for payment of all costs incurred on its behalf (see Third Party Payment Policy Form). At the sole discretion of Willwork Global Event Services, exhibitors using third party payers may also be required to provide a credit card as back up to that of the third party.

International exhibitors must prepay balances prior to show closing in U.S. funds drawn on U.S Banks.

Please complete the information requested below and return this form with your orders. If you choose to pay by check, please make sure your check is delivered within two weeks of show move-in so as to give time for the check to be processed by the bank. Any show site balances or charges for outbound labor, freight or miscellaneous items not paid before the show closing will be charged to your credit card.

Receipts for charges applied to your Credit Card on File will be emailed once the card is charged. A final invoice recording all transactions will be emailed within 15 days of show closing. Should you require a receipt at any other time, please contact us and we will be happy to provide one.

IMPORTANT: TO OBTAIN THE DISCOUNT PRICING, FULL PAYMENT MUST BE INCLUDED WITH YOUR ORDER NO LATER THAN THE PUBLISHED DISCOUNT DATE.

1. The payment record of the third party is acceptable to Willwork
2. This completed form is to be signed by BOTH PARTIES and returned to Willwork at least 14 days prior to show opening. This form is to be accompanied by a completed credit card authorization form from EACH PARTY.
3. Willwork's pre payment policy is adhered to; i.e.: order must be received with payment deadline dates.
4. If there is any doubt which party is to be invoiced for a service, the exhibiting firm accepts responsibility for payment upon presentation of invoices at show site.
5. The exhibiting firm is ultimately responsible for payment of all charges by show conclusion.

Please indicate below which items/services are to be invoiced to the third party:

Also included are shipments mixed on truck, multi shipment/delivery areas and shipments without delivery receipts.

Rates are based on incoming weight only. All weights are rounded off to the next cwt. Each shipment received is considered separately. Freight handling charges are the responsibility of the Exhibitor.

Exhibitors are urged to carry all-risk floater insurance covering their materials against damage, loss, and all other hazards from the time shipment is made prior to the show until shipments are received back after the show. This can generally be done by adding "riders" to existing insurance policies, often at no additional cost.

Empty container labels will be available at the Service Desk. Affixing the labels is the sole responsibility of the Exhibitor or his representative. Willwork assumes no responsibility for removal of containers with old empty labels, mislabeled or valuables stored inside containers while containers are in storage.

Outbound shipping labels and Bills of Lading will be available at the Service Desk. The Exhibitor or his representative must pack and label their exhibit material and turn in a Bill of Lading for each shipment at the Service Desk before leaving the Show. Willwork will route all shipments unless a designated carrier has been assigned. If the designated carrier fails to pick up by the removal date of the Show, Willwork reserves the right to route exhibit material by an alternate carrier. As a result of re-routing or handling, no liability will be assumed by Willwork.

FREIGHT FAQs & HANDLING HINTS

Delivery of your Bills of Lading to Willwork Global Event Services Service Desk does not signify that Willwork Global Event Services has assumed responsibility for your shipments. Whenever possible, a member of your staff should remain with your shipment until it is actually picked up for removal from the loading dock at which time the trucker assumes responsibility for your merchandise. In every case, be sure to turn in your Bills of Lading to the Exhibitor Service Desk. Do not leave Bills of Lading in your booth.

The information below is an outline of the most commonly asked questions regarding freight handling, often referred to as drayage. This can be the most costly part of exhibiting at conventions. We will try to explain what drayage is and how rates are established which will help you save money by avoiding unnecessary surcharges.

What is "Freight Handling/Drayage"? - The term drayage is the moving of exhibit materials from one location to another. Whether you ship to Willwork's warehouse or directly to show site, your materials still need to get to your booth location. Drayage services include the accepting of your material either at our warehouse or on show site, delivery to your booth, storage of empty containers during the show, returning empty containers at the close of the show, picking up your packaged materials, returning them to the dock and loading on the carrier of your choice.

How are rates determined? - Drayage charges are based on a number of factors including union labor rates, facility dock access, and the show schedule to name just a few. The conference is being held in a union facility and therefore must use union labor to move freight. These rates can vary from city to city.

Tips on how you can save money - Read the Freight Handling section of your Service Kit carefully. Be aware of any surcharges that may be assessed for special handling or late shipments. Pay special attention to deadline dates. If you ship in advance to our warehouse and your shipment arrives after the published deadline date, you may be assessed a surcharge. Crated materials are the easiest to unload, therefore, have the least expensive drayage charge. Loose, pad wrapped and uncrated materials require more labor time and, therefore, may be assessed a special handling fee. It may be cost effective for you to build crates for any portion of your exhibit that is not crated.

How is the weight of my shipment determined? All drivers should attain certified weight tickets for materials prior to arriving at the dock either at the warehouse or at show site. Willwork Global Event Services reserves the right to determine weights for all shipments for which weight tickets are not provided at the time of delivery. In cases where Willwork Global Event Services weighs the shipment, the Exhibitor will be charged for double handling.

Small shipments versus large shipments. - Most Service Contractors have a minimum of 200 lbs. per shipment. It is best to send your freight as one large shipment versus several small shipments. For instance, if you send one 45 lb. and one 55 lb. package separately, you are charged the minimum on each shipment. If you are planning to ship items from various locations, you may want to ship them all to a central location then forward them to the Service Contractor's warehouse and/or show site. If you ship your materials in one shipment and the carrier makes multiple deliveries to Willwork Global Event Services, you will be charged for each delivery to our dock, regardless of whether or not the materials were shipped together as one shipment.

Advance shipments versus show site shipments. - In general, it is best to ship your materials in advance to the "advance shipment" address. The charge for this may be slightly higher than shipping direct to show site but the benefit far outweighs the cost. You can (and should) confirm that we have received your materials well in advance of the show installation. If there is a problem, it can be solved prior to the show. When shipping direct, if there is a problem, there is seldom time to solve the problem prior to show opening.

Another advantage to advance shipments is that your materials will be in your booth when you arrive and you can begin installation immediately, thus saving you time and frustration at show site.

Should I insure my exhibit? - The answer is YES! It is your responsibility to make sure your freight is insured from the time that it leaves your company until it returns. A rider to your existing policy can usually do this. Check with your insurance carrier for details.

Two of the most expensive mistakes made by Exhibitors are: 1) shipping materials in several shipments, or 2) shipping via UPS or similar carriers that split a single shipment into several deliveries to our dock. Both can be very costly. Remember, each delivery incurs a minimum charge.

Always be aware of freight receiving deadlines. You will be assessed a late charge if your shipment arrives after the deadline date. Inform your shipper that all items must arrive prior to a specific date.

Always ship your materials crated – Loose or pad wrapped items are assessed special handling fees.

Make sure all materials are labeled properly to avoid any delivery delays. All pieces should have the recipient's name and address, the show name, your company name, and your booth number. Remove old labels after every show to avoid any future confusion. If you are shipping multiple pieces, label them as such: 1 of 4; 2 of 4; 3 of 4; 4 of 4, etc. We hope this helps you in budgeting for your material handling costs.

EXHIBITOR SAFETY & SECURITY

EXHIBITOR SAFETY

Standing on chairs, tables or other rental furniture is prohibited. This furniture is not engineered to support your standing weight. Willwork cannot be responsible for injuries, falls or damage caused by the improper use of rental furniture or equipment. If assistance is required in assembling your booth, please order labor on the Willwork Order Form and the necessary ladders and tools will be provided. Please assist in our efforts to provide a SAFE WORKING ENVIRONMENT for everyone.

All Exhibitors must set up their displays within their booth boundaries. Booths extending into the aisle are subject to Fire Marshal jurisdiction and an Exhibitor may be fined for aisle encroachment. The booth sizes stated are outside measurements. Allow a six inch leeway when installing hardwall displays.

Any person involved in moving equipment, supplies, or goods into or out of the facility is prohibited from consuming alcohol or being under the influence of alcohol.

Booth construction must conform to applicable building codes including electrical, plumbing, etc. All work carried out on booths on site must conform to facility regulations. Please contact the event's On-Site Safety Representative through your Show Manager for further information.

In the event of an emergency evacuation, security staff will help direct you to the nearest emergency exit, so be sure to familiarize yourself with the layout of the facility.

Use extreme caution if you are in show areas where forklifts and vehicle traffic are operating during move in and move out..

EXHIBITOR SECURITY

- Do not assume the exhibit hall is secure. Each Exhibitor must take responsibility for the security of all the items in his or her booth. Willwork, Show Management, facility personnel and the security contractor try to guard against theft and damage, but the ultimate burden falls on the Exhibitor. Move in and move out are particularly vulnerable times. Be sure to carefully safeguard your exhibit materials.
- Do not list the contents of crates and cartons on your shipping labels. A label that reads *27" color monitor* is an open invitation for thieves.
- Never display "one-of-a-kind" items or irreplaceable samples unless someone is present at all times to keep an eye on them. For example, plasma screens are a high theft item. Willwork strongly recommends that you insure plasma screens as **NO** liability for theft is assumed by Show Management, the facility or Willwork. We also recommend that the shipping containers are not marked 'PLASMA SCREEN'.
- Do not leave your booth unattended during the hectic and heavily populated move-in and move-out times.
- Consider covering your exhibit with some sort of cloth at the close of each day. The psychological deterrent makes it more difficult for people to handle merchandise. Criminals often look for the easy mark first.
- Business tools such as laptop computers, recorders, calculators, and give-away items are the things most often stolen. They should be guarded and stored safely at night.
- Thieves will also take personal items such as purses, suit coats, and toolboxes. Do not leave personal items unprotected in your booth.
- Never store items in containers marked "Empty".
- Show Management provides a 24-hour security system to prevent entry to the exhibit area by anyone not authorized. This security service does not guarantee Exhibitors against loss. Nor does it imply an assumption of liability for an Exhibitor's property by Willwork, Show Management, or their agents.
- **INSURE YOUR BOOTH!** Your exhibit materials should be insured from the time they leave your facility until the time they return. Consult with your insurance agency about adding a rider to your existing policy..

RULES & REGULATIONS

Please follow the guidelines listed below as they will help you plan for your upcoming exhibit. Union Labor is required for certain aspects of exhibit handling. Reading the following rules will assist you in your planning for the event.

EXHIBIT INSTALLATION & DISMANTLE

Willwork Global Event Services is the designated contractor for the erection, touch-up, dismantling, and repair of all exhibits when work is done by persons other than your full-time company personnel.

If full-time company personnel are utilized to set an exhibit, they must carry company identification such as a medical identification card or a payroll stub.

The utilization of workers hired from a non-union agency or company is prohibited.

To secure labor, please complete the labor forms located within this service manual.

MATERIAL HANDLING

Willwork Global Event Services is responsible for the loading and unloading of all trucks, trailers, and common and contract carriers as well as the handling of empty containers and the operation of material handling equipment. It also has the responsibility for the unloading, uncrating, un-skidding, leveling, painting, and assembly of machinery and equipment as well as the reverse process.

Willwork Global Event Services has the responsibility to manage docks and schedule vehicles for the smooth and efficient move-in/move-out of the trade show. Willwork Global Event Services will not be responsible for any material it does not handle.

Exhibitors may "hand carry" material provided they do not use material handling equipment to assist them. When exhibitors choose to "hand carry" material, they may not be permitted access to the loading dock/freight door areas.

TIPPING

Willwork Global Event Services company policies prohibit the solicitation and/or acceptance of any tips by our employees. Our employees receive excellent hourly wages denoting a professional status, and tipping of any form is not allowed. Should you as an exhibitor be solicited in any way for a gratuity, you should report such activity immediately to our Willwork Service Desk.

MOVE OUT INFORMATION

To increase the efficiency of exhibitor move-out, Willwork Global Event Services has institute the following Move-Out Schedule for this show.

Saturday, September 10, 2022 at 1:00 PM - Exhibitor Move-Out officially begins.

Exhibitors may begin to dismantle their booths at this time. Immediately after the close of the show, Willwork will begin covering the carpet and returning empty containers. You can help us with this process by keeping the aisles clear during this time. If you have ordered labor to dismantle your booth, be sure to confirm the start time of your workers by checking with the Willwork Service Desk.

Saturday, September 10, 2022 at 4:00 PM - Deadline for driver check-in.

Exhibitors who wish to ship materials by any carrier must instruct drivers to check in at The Marriot. They will check in at the loading dock with the Willwork Dock Supervisor by **Saturday, Sept. 10, 2022 at 4:00 PM**. Drivers are placed in line for loading on a first-come, first-serve basis, provided the exhibitor is completely packed and a Bill of Lading has been turned in to the Willwork Service Desk. Drivers whose Bills of Lading have not been turned in will be placed in a holding queue until the booth is packed and the Bill of Lading is turned in. Should your carrier fail to check in at the loading dock by **Saturday, Sept. 10, 2022 at 4:00 PM**, Willwork Global Event Services reserves the right to re-route the shipment via the official show carrier as necessary. Neither Willwork nor Show Management assumes any liability as a result of such re-routing.

Saturday, Sept. 10, 2022 at 4:00 PM - Exhibits packed and Bills of Lading turned in to WILLWORK.

All Bills of Lading must be turned in to the Willwork Service Desk to be validated. Do not leave Bill of Lading in your booth, and do not turn in your Bill of Lading until your shipment is packed and ready to be loaded. Bills of Lading and additional labels will be available at the Willwork Service Desk at your convenience. No Bills of Lading will be issued until your balance is paid in full.

Delivery of your Bills of Lading to Willwork Global Event Services does not signify that Willwork Global Event Services has assumed responsibility for your shipments. Once packed and ready to turn in your Bill of Lading, take a picture of your shipment for your files. Whenever possible, a member of your staff should remain with your shipment until it is actually picked up for removal from the loading dock, at which time the trucker assumes responsibility for your merchandise. In every case, be sure to turn in your Bills of Lading to the Exhibitor Service Desk. Do not leave Bills of Lading in your booth.

Final Payments

For your convenience, any show site balances or charges for outbound labor, freight, or miscellaneous items not paid before show closing will be charged to your credit card at the close of the show. Be sure to pick up and review your statement of charges at the Willwork Service Desk prior to move-out. Adjustments to your account will NOT be made beyond 45 days after show closing.

Saturday, September 10, 2022 at 5:00 PM – Final clean up; Exhibitor Move Out officially ends.

ALL SHIPPING CONTAINERS INCLUDING BUT NOT LIMITED TO FIBER CASES, CARTONS AND CRATES SHOULD BE SECURELY PACKAGED AND LABELED BY THE EXHIBITOR. IF YOU HAVE MULTIPLE ITEMS STACKED ON A SKID, WE STRONGLY ADVISE THAT YOU ORDER SHRINK WRAP OR BANDING FROM THE WILLWORK SERVICE DESK SO THAT ITEMS DO NOT GET SEPARATED.

For assistance, please call our Exhibitor Services Department at 407-438-7480; or
email exhibitorservices@willwork.com
